Valour Canada Newsletter • January 2022

We would like to wish you all a happy and healthy New Year. We are excited to continue providing Canadian military history based educational material and opportunities for young Canadians across the country in 2022. Thank you all for your continued support!

[1998 Ice Storm](#)

During the early of January in 1998, three consecutive ice-storms devastated eastern Canada. Trees and power lines were knocked down, streets and sidewalks were coated with ice, and thousands of Canadians found themselves facing the winter chill without power.
